CITY LIGHT BOARD

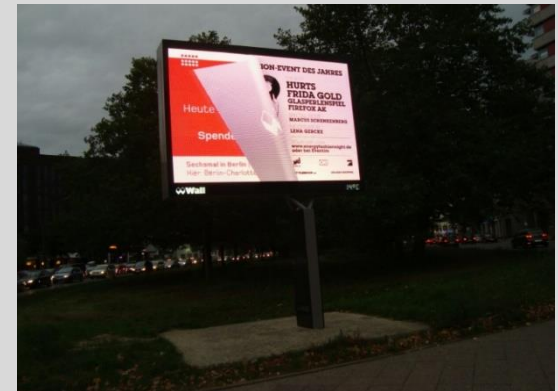

City Light Boards, also called large back lit billboards, are big illuminated billboards in the format 18/1 or 9 square meters.

They are placed in highly frequented hotspots in the city. A lot of them also switch every few seconds between different screens. They are only bookable in networks.

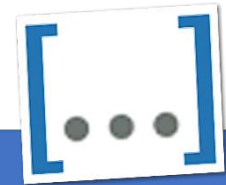

Media costs per week € 115.546,20

Individual networks only bookable for clients in berlin.

All prices plus production and VAT.
