CITY LIGHT POSTER

City light posters can be found at railway stations, in bus shelters and at particularly prominent points in the street area at the main railway station and shopping centers.

Backlit media look particularly elegant and are an eye-catcher even at night thanks to the backlighting.

All backlit media are only booked in networks and per calendar week.

Visible surface 115 x 170cm (WxH)

CITY LIGHT POSTER STATION

CLPs can be booked at U-Bahn stations, S-Bahn stations and at the main station.

In the S-Bahn, you can even limit the choice of stations according to your wishes.

S-Bahn Shopping: Stations along shopping streets and malls

S-Bahn City Network: Train stations in the city center

S-Bahn U29 network: Stations close to schools, leisure facilities and trendy areas of the city.
